

# Let's have a MORNING OF FUN!

Renault  
READERS'  
DAY

Join us for an info-packed, inspiring time, and take home a fab goodie bag plus six-months' w&h subscription

**W**oman & Home and RENAULT are delighted to invite you to join us for a number of informative and inspirational mornings in Johannesburg, Durban and Cape Town during March. It's a great opportunity to have a good time with other women and to gain info on serious, glam and practical topics. You'll learn more about hijacking in South Africa and how to protect yourself in this situation, enjoy some lighter discussions and advice on Clarins beauty products and get some great tips on how to pack your travel bag.

Renault will talk about the ever-increasing problem of hijacking. The presentation will focus on the importance for South African drivers, especially women, to be alert at all times. They'll share some useful tips on anti-hijacking techniques and give sound advice on how to avoid a hijacking situation. They'll also discuss the different methods that hijackers use and there will be a practical demonstration featuring a mock hijack.

The brand new KOLEOS will be on show, and Renault will tell us how well this car adapts to day-to-day urban living and discuss its off-road capabilities. There will be a practical demonstration of the KOLEOS, showing its key features, such as versatility, dynamic performance, exquisite comfort, ingenious modularity and child-friendliness.

Another discussion not to be missed is

the talk by Clarins on their range of highly effective treatments to meet the needs of women aged forty plus. These Extra-Firming Treatments, rich in high-performing age-control ingredients, help to restore the skin's suppleness, firmness and radiance, promoting a youthful-looking appearance – something we, as women, all strive for.

Few of us have mastered the art of packing sensibly when travelling. We normally don't wear half the clothes we pack into bulging suitcases and end up having to iron half our wardrobe when returning home. Two very clued-up Senior Chata Romano Image Consultants, Wendy

Hind and Samantha Moir, will round off the morning with a practical talk on how to pack the right clothes efficiently.

There are lots of prizes to be won, and each guest will receive a free six-month subscription to w&h and a goodie bag.

Book now to be part of this fabulous and informative morning. Tickets are selling fast!

## Join our Readers' Day
