

### About Sally

Forty-something Sally McCallum-Toomey felt she had an outdated style and had neglected herself while raising her three children. Admittedly at a crossroads in her life, both professionally and personally, Sally wanted advice on clothes, hair and make-up to help her feel good about herself.

# What to wear

Makeover expert Chata Romano shows Sally McCallum-Toomey how to update her look for 2007.

Sally McCallum-Toomey told us she felt her look had become outdated. So it was great to hear she felt like a princess for a day during the makeover. Chata Romano helped her with styles and colours, while Sally's hair was also given a new colour and a trim. Sally's eldest daughter loved her mum's new look, which is quite something to get the approval from a 20-year-old! And her partner thought she looked wonderful – so much so he took her out for dinner at a lovely restaurant that very evening!

## Casual

If you want a well-groomed casual look this season, then this is it: a print top with fashionable Capri pants. Sussan blue print top, \$59.95; Diva bangle set, \$14.95.

A Capri pant is a must-have – it works for all body shapes. The best length is just below the calf muscle. Country Road denim shorts, \$119.

Wedge shoes make your legs look long and slim. Scooter shoes, \$109.95.

## Evening

The hot new style for summer is the wrap dress. Calf-length is sexy yet subtle; avoid this length if you are very short – opt for knee or ankle length instead. Queenspark dress, \$220; Diva earrings, \$12.95.

You can wear silver or gold accessories with basic-coloured clothes. Equip clip bracelet, \$14.99; Emma Page bracelets, \$82 and \$102; Strandbags clutch bag, \$19.95.

The T-bar is one of the few shoe styles that suits all body shapes. Diana Ferrari jewelled shoes, \$119.95.

## Hair and beauty

We used a light, creamy foundation to even out Sally's skin tone, then added some golden bronzer on her cheeks to give a summer feel. We used a black eyeliner to shape her eyes and applied brown and beige eye shadow for contouring. To open up the eyes, we curled the lashes and applied black mascara. To finish the look, we chose a pink lip gloss that would be quick and easy for Sally to use daily.

## Smart

The knotted twist design is fabulous for enhancing a small bust. Turn sequinned clothes inside out for storage to prevent snagging. Monica at David Jones sequinned top, \$179.95; Inspirations at Kmart earrings, \$7.95.

Wear fitted jeans if your body suits them – if not, choose well-cut regular jeans. Country Road jeans, \$129; Target bracelets \$14.99 each; Zu clutch bag, \$60.

An open-toe shoe is a must for summer – make sure your toenails are well groomed. Scooter glitter shoes, \$109.95.
